

OUR SCIENTISTS SAY,

Powered by the exclusive TimeWise Repair™ Volu-Firm™ Complex, Night Treatment with Retinol is formulated to fight the appearance of deep lines and wrinkles, promote the production of collagen, and help increase elasticity and encourage cell turnover and renewal. Because the retinol is encapsulated it's protected against degradation from air and light which helps preserve its stability and maximum efficacy. The encapsulation also provides more controlled release to help minimize potential irritation.

TimeWise Repair™ Targets the Advanced Signs of Skin Aging.
Extensive Research. Innovative Ingredients. Comprehensive testing.
Go back in time. And lift away the years.

*Based In vitro testing of key ingredients

**Based on published scientific data.

"I have two major problem areas – my neck and jawline. The 'pouches' in the jawline area were almost gone."

Jo T., Hobart, IN

"I was able to see lines on my face smooth away and saggy skin get a more youthful elasticity."

Shirley N., Redwood Shores, CA

POWER STATEMENT:**Reactivate youthful-looking skin with retinol.****BENEFITS AND CLAIMS**

During an independent consumer study+, a majority of women agreed that age spots were less noticeable, that skin texture was dramatically improved, and that the neck area looked noticeably smoother with wrinkles visibly softened. Here's what else they said:

- Helps improve advanced signs of aging: 76%
- Skin regains firmness: 71%
- Jawline area appeared more defined: 67%
- Restores youthful cushion to skin: 81%
- Restores skin's even tone: 86%
- Enhances skin's overall appearance: 90%

+Results based on a 4-week independent consumer study. The percentages reflect the number of women who agreed with the statement.

THE SCIENCE BEHIND THE PRODUCTS

The exclusive TimeWise Repair™ Volu-Firm™ Complex is the perfect union of three ingredients vital to skin recovery:

- A biomimetic peptide helps support processes critical for skin repair.*
- A hyaluronic acid booster* helps provide youthful skin volume and lift.
- Plant stem cells help protect the integrity of the skin matrix, the source of skin firmness.*

In addition, Volu-Firm™ Night Treatment with Retinol:

- **Helps accelerate cell turnover to reveal radiant-looking skin**, allowing more youthful cells to rise to the surface.**
- **Helps protect skin integrity.**** Retinol is known to influence the synthesis of collagen and elastin and promote cellular communication, allowing skin to live up to its youthful potential.
- **Helps reduce glycation and the formation of A.G.E.s.*** Glycation is a chemical reaction that occurs when excess sugar molecules attach to a skin protein, like collagen or elastin, forming Advanced Glycation End Products. As skin ages the glycation process speeds up and can lead to the sagging, skin crepiness and more pronounced wrinkling associated with advanced skin aging. Contains Pomegranate and Cinnamon Bark Extracts shown to minimize glycation.*
- **Helps replenish vital hydration.*** It's formulated with a marine botanical (Codium Tomentosum) that has been shown to increase AQP3 (Aquaporin 3) levels in skin.* Aquaporins are skin proteins that create channels that help water travel to where it's needed most, helping with skin hydration. AQP3 is a type of aquaporin that transports not only water but glycerol, which has moisture-binding properties. In addition, biophysical testing showed that skin hydration was immediately tripled after the serum was applied, helping to alleviate the dryness associated with aging skin.
- **Helps minimize the activity of pigment-producing enzymes.*** Formulated with Licorice Extract that minimizes the activity of tyrosinase,* the enzyme responsible for the synthesis of melanin that can cause the appearance of dark spots and uneven skin tone.

*Based on in vitro testing of key ingredients ** Based on published scientific data.

ORDER OF APPLICATION

- Volu-Firm™ Foaming Cleanser
- Volu-Firm™ Lifting Serum
- Volu-Firm™ Day Cream Sunscreen Broad Spectrum SPF 30**
- Volu-Firm™ Night Treatment With Retinol
- Volu-Firm™ Eye Renewal Cream

**Over-the-counter drug product

USE UP RATE

Average use-up rate is 2 months when applied once a day.

CHARACTERISTICS

- ✓ Suitable for sensitive skin
- ✓ Fragrance-free
- ✓ Oil-free
- ✓ Non-comedogenic
- ✓ Dermatologist tested
