

A quick-absorbing eye cream featuring our Age Minimize 3D™ Complex

- Helps improve multiple visible signs of aging and fatigue
- Skin looks firmer
- Brightens the eye area
- Immediately moisturizes and maintains moisture in the eye area for 12 hours

"I liked the way it made the skin around my eyes smoother. My eye area looks more youthful, brighter and more awake." Vanessa B., Houston, Texas

POWER STATEMENT FOR TimeWise® Miracle Set 3D™:

A 3-dimensional approach: defends, delays, delivers for younger-looking skin.

As the third step in the TimeWise® Miracle Set 3D™ morning and night routine, this eye cream is formulated to work together with the Age Minimize 3D™ 4-in-1 Cleanser, Age Minimize 3D™ Day Cream SPF 30 and Age Minimize 3D™ Night Cream for a lifetime of beautiful skin.

This eye cream helps improve multiple visible signs of aging and fatigue, including the appearance of dark circles, undereye puffiness, fine lines and wrinkles. Skin looks firmer as this quick-absorbing cream immediately moisturizes and brightens the eye area. Plus, it maintains moisture in the eye area for 12 hours. You'll see overall improvement in skin's appearance for a more youthful, rested look.

Because the skin around the eye area is very thin and fragile, any damage or distress is more visible, more quickly. TimeWise® Age Minimize 3D™ Eye Cream includes an algae extract particularly beneficial to the eye area. Caring for the delicate eye area is often your first defense for maintaining an overall more youthful appearance.

ADDITIONAL BENEFITS:

- Skin feels intensely moisturized.
- It smooths skin and improves its texture.
- Minimal wait time to apply makeup.
- Use twice a day for 24 hours of moisturization.
- Includes our patent-pending Age Minimize 3D™ Complex.

EXCLUSIVE, PATENT-PENDING AGE MINIMIZE 3D™ COMPLEX IN EVERY PRODUCT

Age Minimize 3D™ Complex features encapsulated resveratrol, dual-benefit vitamin B3 and an age-defying peptide.

- Encapsulated resveratrol provides triple antioxidant benefits, plus helps promote more even-looking skin tone* and supports skin's natural collagen.*
- Vitamin B3 is a well-known brightening superpower that works double duty as an antioxidant.
- An age-defying peptide supports skin's natural collagen and elastin* for a more youthful, resilient look.
- Helps prevent skin damage caused by blue light.
