

Cancer Care Gifts!

You probably know someone who has or has had cancer. We are again participating in this program to give a gift to patients receiving chemo and radiation at the

Sechler Family Cancer Center .

We are donating Mary Kay Hand Soap & Fragrance Free Hand Cream.

We do this to bless cancer patients & they are soooo appreciated! We deliver the sets before Christmas & they hand them out until they run out, usually in just a few months. It is so rewarding to meet someone who has received this.

Here are the details:

We “sell” the sets for a flat \$20. Experience has shown that people carry \$20 bills with them and will pull one or more out and hand to you. But, you can sell them for whatever amount you want to sell them for. We cover costs for wrapping and tax and shipping to order them.

If you would love to join a great cause, we’d love to have you join us!!

Some FAQs:

- 1) **Do I need to wrap these?** Yes. They need to be **PRETTY!!!** A 6x13 gusseted cello bag from mygirlfriendshouse.com and a bow works perfectly! Be sure to add a gift tag, which can be your business card with a note on it.
- 2) **Are these tax deductible?** You should refer them to their own tax accountant. Your customers and friends are actually “buying” the product and you are donating it on their behalf.
- 3) **When is the deadline?** We need wrapped gifts by Monday, December 13th. We will donate them soon after.
- 4) **Can I substitute other products? If the products are unavailable, please check with your director on what to do.**
- 5) **How do I sell these?** Tell everyone you know that you and your girlfriends are giving back this holiday season to bless people going through cancer treatments. Ask your director for a script.
- 6) **Who do I ask?** Everyone!!! I ask customers, friends, family, business owners may purchase several. I post this on my Mary Kay fb page and VIP group every so often and I personally send texts and messages and emails to people I know.
- 7) **How many should I sell?** Set your own goal!!! You can sell 10 sets, 50 sets, 100 sets or more!! We could each have a goal to sell 58 in honor of Mary Kay’s 58th Anniversary! Every gift makes a huge difference in the life of a cancer patient!!!
- 8) **Some other info:** We cannot use the name Mary Kay on our flyers about this and we cannot make it seem as though this is a Mary Kay sponsored thing. It is fine to talk about it with your customers and friends. Just refrain from putting it in writing anywhere. And that includes Social Media!!

Thank you for helping with this amazing program!!!

Please let us know how many you are donating when you deliver them to us. We are trying to determine how many we give them each year! Please be sure to give them to your director by December 13th.
