I've decided to take a step back in my business. Who was I kidding? I'm not directorship material like

my Sales Director insists.

Besides, I just want to be there for my kids CONSTANTLY, and to be honest, my recruiter is annoying. Maybe if I had a different one I'd be successful

Stage 6A

I changed my name today. Who was I kidding? I never wanted my own business! I LOVE working 50 hours a week and my 5 hour daily commute is good for my soul!
I LOVE MY LIFE! There is nothing I would change!

Stage 6B

Can I be completely honest? I let negative thoughts control my activity and almost derailed my dreams!! I am so mad that I even let myself go there! I KNOW I have a calling on my life to lead, to add value to others & so much more! TODAY is a NEW DAY & I am going to take personal responsibility... be consistent...disciplined.. work the numbers... and not let anything stop me from stepping into my vision!
