Hello
October

A Note from Tracy

Welcome to Fall! Each new season gives us a chance to fall in love with our business all over again. We have emerged from the carefree days of summer into the abundance of autumn! We are just 3 weeks into the second quarter and entering one of the most exciting selling seasons of the year. It's time to put on our Pink thinking caps and get excited for all the possibilities!

Here are a few ideas to get you started.

- Plan your party or Holiday Open House days. What hours will your store be open for Pink Friday, Small Business Saturday, Cyber Monday?
- Prepare your inventory. Do you have ready to grab items on hand for last minute shoppers? Limited Edition items, Satin Hands and Satin Lips are always Holiday Hits!
- Download digital images and make a plan for posting to your groups and connecting with family, friends and customers.
- Plan ways to WOW your customers! Provide them with a Mary Kay wish list and let them know the unique ways you can serve them.
- Remember to shop from your own store! What parties or events will you be attending this holiday season? Limited Edition Body Care Sets, Shimmer Liquid Eye Shadows and Mint Bliss make great hostess and thank you gifts.
- Share the Opportunity! Our dreams are so much better when we share them with others. Whether for a lifetime or a season, there are women waiting for their dreams to take vision too!

As always, feel free to reach out to me. I am excited for the abundance headed our way!
